Sir

With reference to Government Order No J 2602-5/11 70- - dated the 11th November 1927 sanctioning the appointment of a Chief Officer to the Shimoga Town Municipality I have the honour to state that Mr H Nesargi Murthy who on services were sent to the Municipality last year has put in one year's service in the Municipality and has attended to the more important duties relating to the improvement of the revenues the Municipality When the Budget estimates for 1928-29 were discussed the Town Council expressed the view that there was no need for two officers in the Municipality - one Chief Officer and another Engineering Officer But as at that time the water supply improvements had not been completed and there were a number of Town Improvement Schemes to be carried out and as the revenue portion of the Municipal Administration also required special attention I differed from the views of the Municipal Council and recommended the retention of both the Officers in my letter No A 3 P R 103/27-28 dated 4-7-1928 Since then, certain changes have taken place which would call for a reconsideration of the previous orders The Municipal Council having agreed to the transfer of the Water Works it has recently been ordered by the Government that the

1) Allowing Mr H Vesavamurthy to revert to the Revenue Department

2) Selection of a suitable officer as Chief fficer of the Municipality in place of r Vesava urthy

As regards the selection of an officer I submit th t the recommendations made by me may kindly be given such consideration as may be possible un er the circum tances

I solicit early orders in the matter as the Revenue Commissioner is anxious th t r Vesavamurthy should be relieved early A copy of my letter to the Revenue Commissioner is enclosed for favour of perusal

I am in receipt of your D.O.No 1066/28-29 dated the 2nd January 1929 and also the telegram of even date In reply I have to state that I shall have no objection to allow Mr H Lakshmipathy to revert to the General line His services were loaned to the Municipality for employment as Chief Officer and although the Municipality may require the services of a Chief Officer, I do not think it is necessary to continue his services here as he has nearly completed the special items of work entrusted to him I am addressing Government separately as regards the appointment of another Chief Officer to the Municipality in view of the fact that since the transfer of the water works to the Public Works Department the Engineering Officer of the Municipality has also been withdrawn and there will be neither a Engineer Officer nor a Chief Officer if both officers are taken away I am of opinion that some senior official who has had experience in Municipal work in the cities may be posted as Chief Officer here As regards the posting of Mr Kesavamurthy I would suggest his posting to Sorab and the Sorab Amildar Mr H Rajasekhara Vaderu to Mr the latter being a more important taluk

Dear Sir,

In reply to your D O letter No L 5738/M1 7-28-48 dated 22nd February 1929 re filling up the vacancy of the Chief Officer's post in the Shimoga Municipality, I write to state that I have no objection to try Mr Basavalinga Chetty as Chief Officer of this Municipality for a period of six months or one year The President of the Mysore Municipality speaks well of Mr Basavalinga Chetty's work in that Municipality I do not know how he will shape in this Municipality so far as the Revenue branch of the work is concerned as I am not sure if he has had any experience of revenue work in the Mysore Municipality Any-way I have no objection to give him a trial for some time but his continuance in this Municipality will depend on his giving satisfaction here If he is found wanting in managing the revenue branch of the work here he will have to revert to his original appointment at Mysore On this understanding the posting of Mr Basavalinga Chetty as Chief Officer of the Shimoga Town Municipality may be ordered
